Official Tournament Rules

- All bats must meet USA or USSSA standards. Teams provide 2 new **game quality** balls to umpire at the beginning of each game. Metal-spike cleats are PROHIBITED.
- No “must-slide” rule but runners **MUST** avoid malicious contact. A call of malicious contact will result in the runner being called out followed by ejection for the remainder of that game ONLY.
- Game clock starts at the conclusion of the umpire/coach meeting prior to each new game.
- Home team will keep the official scorebook/GameChanger record. Home/Away designation for pool play games will be pre-determined. Higher seed will be Home for bracket play games.
- Seeding for bracket/championship round play is based on the following:
 - a. Pool Play overall record (winning percentage)
 - i. Winning % computed as $(\text{Wins} + .5 * \text{Ties}) / (\text{Wins} + \text{Ties} + \text{Losses})$
 - b. Head-to-head (If multiple teams are tied, go to c)
 - c. Runs Allowed
 - d. Run Differential (max of 8 per game)
 - e. Runs Scored
 - f. If 3+ teams are tied at the end of pool play, begin with Step C to determine top seed, then begin tiebreaker evaluation again at Step B, repeating until all seeds are accurately determined.
 - g. If matching seeds from opposite pools meet in bracket play, Home/Away will be determined beginning with Tiebreaker C using pool play game results ONLY.
- In the event of inclement weather, games will be considered official after 3 complete innings (2 ½ innings if Home team is leading). Score is taken from the last fully completed inning. Game clock will stop only if less than 3 innings have been played (2 ½ if Home team is leading). Game clock will resume upon first pitch following delay. All weather-related game decisions are the sole discretion of the director.
- Coaches and spectators ejected from the game must leave park immediately and must remain out of park for at least the next game, and possibly more games at the discretion of tournament officials. If someone refuses to leave, the team will forfeit that game and the next.
- Player age determined as of 4/30/2026. USSSA rules for age determination and grade exemption eligibility apply. Teams may have up to 2 grade-exempt players on the roster. Teams with more than 2 will be required to play up a division. Any player age protests must be submitted to the Tournament Director. The Tournament Director has sole responsibility for granting or denying all protest requests. In the event a protest request is granted, the Head Coach of the player in question must present a valid birth certificate or other form of verification within 5 minutes. If unable to do so, the game will result in a forfeit and that player will be ineligible to participate until valid proof of age/grade is presented. Requests may only occur prior to or during a game. No requests will be approved once a game is complete.
- Bracket games ONLY - For the first inning beginning after time limit has expired OR any extra inning game, the last player due to bat that inning will start on 2B with no outs. If that is the P/C, next available hitter that is not the P/C will be used. Each batter will begin with a 1-1 count. Any additional innings will begin with the bases loaded using the last 3 player due to bat that inning (P/C rules apply) AND a 1-1 count on each batter.
- If not listed explicitly in this document, USSSA rules will apply (including KY USSSA as applicable). The Tournament Director has final authority to make any rules decisions and/or seeding placements.
